Chanco	Philippine Business for Environmental Stewardship UP Engineering Student Council UP Geology Major's Society UP Mining Metallurgical and Materials Engineering Association, Inc.	The actions of Sec. Lopez were contrary to the long-standing standards of scientific methodologies and government's policy on transparency; Her media pronouncements on closure and suspension of mining operations violated due process.
5	Mr. Krist Jan Niño Jimenez Separa	UP Mining Engineering Society (UP MINERS)	Sec. Lopez lacks the integrity, competence and fitness to lead the DENR. The methodologies used fo the mine audit are dubious and are contrary to established technicalities in the industry. She disregarded the MGB recommendation and made it also inaccessible to the public. Her actions will massive unemployment.
6	Mr. Johann Joseph Sahagun	Grand Orbian Iuvenis Orbis Geologica Fraternity (Organization of Filipino Geologists and Geoscientists)	The mine audit lacked scientific and statistical bases. Sec. Lopez allowed anti-mining advocates to be part of the audit team. On the contrary, she ignored the findings and recommendations of the MGB. These casts doubt on her credibility.
7	Mr. Arsenio F. Disini Ms. Nelia C. Halcon Atty. Ronald S. Recidoro	Chamber of Mines of the Philippines (COMP)	Sec. Lopez's bias and antagonism towards mining make her unfit and incapable of a responsible, fair, just and balanced implementation of the laws, rules and regulations. She does not have the administrative experience and competence to lead the DENR. She Iso has poor track record in leading and managing environmental eco-tourism projects - Brooke's Point, La Mesa Eco-Park, PRRC.
8	Mr. Danilo Baysa Calimlim	Mine Workers League	Sec Lopez lied about her promise to give alternative work to those wo lost their job due the suspension and closure of the mining companies
